Telephone No. 423 624-3500 FAX No. 423 624-3587

### TECHNICAL INFORMATION

- |                        |                  |
|------------------------|------------------|
| 1) Product Name        | S-205            |
| 2) CAS registry number | 70516-41-5       |
| 3) TSCA No.            | Registered       |
| 4) REACH EC No.        | 274-641-1        |
| 5) Melting Point       | 163°C Minimum    |
| 6) Molecular Weight    | 518              |
| 7) $\lambda$ max       | 452 nm<br>590 nm |
| 8) Structure           |                  |

S-205
